# Barts **Bio**Resource

## June 2018 Newsletter

# Information

*Bart's BioResource (BBR) news and views* is a monthly newsletter that showcases our research recruitment for the different layers of consent (data, biosamples, tissue donation  $\pm$  future contact) and our key locations where consenting currently takes place.

The *BBR* newsletter shares information on new sub project developments and also provides patient and staff feedbacks relevant to our research project.

The *BBR* can often support disease specific research projects and questions. If you would like to find out more or have any comments on this newsletter, please contact [maudrian.burton@bartshealth.nhs.uk](mailto:maudrian.burton@bartshealth.nhs.uk)

Access to the project can be obtained by completing the below link

# Patient Feedback

Barts Health  
NHS Trust

*“ I am happy to participate in this study as the NHS have been great to me”.*

*Anonymous participant*

*“I have been waiting for transport for over an hour and I am not really interested in this”.*

*Anonymous participant*

*“Specialists clinic (running 250 minutes late): I have no time to read this, why am I waiting so long?”*

*Anonymous patient*

*“My Consultant knows me very well because I have been with him along time, happy to participate in this study”.*

*Anonymous participant*

# Staff Feedback

*“Unfortunately, due to staff shortage, we have to take our patients in straight away to run efficiently, so you wont be able to consent them for your project”.*

*Anonymous staff*

*“ We need to transfer the patient now, Nurse can you move the patient now. We haven’t got time for research”.*

*Anonymous staff*

*“Thank you for that, even though it is not your job to do it”.*

*Anonymous staff*

# Barts BioResource cumulative recruitment

Total consent N = 17547; Total re-consent N = 1204

# BBR staff awareness activities

We are actively involved in International clinical trials day at Barts and science festival at QMUL, Mile End. We also have team members involved in genomics training at QMUL, Charthouse Square.
